## Record of PIP Volunteer Hours

This form is a record of your volunteer hours during the YCCO season. You are required to serve a minimum of 15 hours during our season to help us sustain the choir. If you were not able to volunteer the 15 hour minimum, all hours not volunteered will be charged to you at a rate of \$10/hour at the end of the season.

Please record your PIP hours and submit to the Executive Director, Chris Asher, for calculation and recording. Thank you for being a part of the success of YCCO!
