

Welcome to the Youth Choir of Central Oregon!

The purpose of this handbook is to provide basic information about the Youth Choir of Central Oregon (YCCO), a music performance and education program that emphasizes the development of musical skills and understanding in children between the ages 6 -18 years old, (grades 1-12).

YCCO is a non-profit organization with a current enrollment of more than 150 singers in two auditioned choirs for grades 5 – 12 and two non-auditioned choirs for grades 1 – 5.

Mission Statement:

It is YCCO's mission to provide an opportunity for musical expression and education in a joyful environment.

YCCO Vision:

- To provide an advanced choral experience for talented youth singers.
- To supplement the musical training offered in Central Oregon's school music programs.
- To study and perform a variety of choral music in the tradition of American and world composers, both secular and sacred.
- To improve choir performance and personal growth by teaching skills such as melody, harmony, rhythm, reading skills, vocal tone, choral technique and teamwork.
- To encourage the life-long learning and enjoyment of music.

BACKGROUND

YCCO began in 1990 as an outreach of the Cascade Festival of Music when Beth Basham founded the Cascade Festival Children's Choir. Comprised of one choir with approximately 85 singers in grades four through eight, the choir met October through May for weekly rehearsals and gave two concerts during the course of the year and one at the festival. Mrs. Basham provided the artistic vision and choir direction.

Enthusiastic choir families and festival volunteers provided operational support. In its fourth year, with a growing artistic reputation and a desire for more performance opportunities, the choir became a separate non-profit corporation. By the sixth year, the regional population had grown so that a second choir was needed. YCCO split into two groups, with the more experienced singers comprising the Premiere Choir; the younger singers becoming the Debut Choir. Festivals and more concerts were added to the performance repertoire, and the Premiere Choir began to travel. The Premiere Choir has since performed in Oregon and other areas of the Pacific Northwest, Canada, England, Hawaii, Turkey, Greece, Chicago, New Orleans, New York, Italy, Austria, Japan, Ireland and Scotland. YCCO today has a reputation for artistic excellence, with a Premiere Choir experienced in international touring, and with a Debut Choir that boasts an established state presence.

CURRICULUM

YCCO provides a special learning environment designed to be a rich and rewarding musical experience for each student. Choristers study and perform a variety of music from simple unison folk songs to contemporary musical literature. Both sacred and secular music are selected and performed in a variety of

settings. Repertoire is not selected to intrude on anyone's personal beliefs, but rather to give each child a broad music education that includes learning about other peoples and cultures. It is essential that all singers be willing to sing all repertoires.

Masterpieces of music from all styles and periods form the foundation for music learning and serve as the basis for the curriculum. We believe that "children should be led to musical masterpieces by means of musical masterpieces." (Zoltan Kodaly) Because the best musical experiences for youth are inherent in great music, YCCO repertoire includes the music of Bach, Mozart, Handel, Beethoven, Haydn, Schubert, Britten, Kodaly, R. Vaughn Williams, Aaron Copeland, Bela Bartok and others. Folk, popular, gospel, spirituals and patriotic music are also included.

Musical theory (melody, rhythm, harmony, timbre, dynamics, form, style and performance practice) and musical skills (singing, sight-reading, tonal balance and performance protocol) are taught throughout the rehearsals. Musical concepts are taught by singing, listening and analysis.

Singing is the major focus of the musical experience in YCCO. Singing is a powerfully personal means of musical expression. We hope this experience will form the foundation of a life-long relationship with music for the singers and their families.

Children are taught the use of their vocal instruments through exercises in posture, breathing and tone production. The body is the instrument in singing, so musical relationships are internally experienced and are likely to be "felt" and heard. The abilities to hear, conceptualize and perceive music and then respond musically develops naturally from the human voice. Singing skill and musical understanding are essential components of the creative process and fundamental to music education.

Musical re-creation through vocal performance is a way of experiencing and expressing music unlike any other activity.

THE PROGRAM

The YCCO Program consists of three divisions: Singers School (Spark & Glow Choirs), Debut Choir, and Premiere Choir.

Singers School (Spark and Glow Choirs) serves first- through fifth-grade students in a creative, yet structured environment. Spark is for students in grades 1 – 2 and Glow is for singers in grades 3 – 5. Auditions are not required for these choirs. Music and movement activities and beginning vocal skills are presented in a choral music framework. The program is designed to build confidence and teamwork. Older singers also prepare for Debut Choir auditions.

Debut Choir is an auditioned choir for fifth- through eighth-grade students. The Debut Choir is dedicated to growing musicianship. It contributes to the choristers' musical learning experience by using developmentally appropriate techniques. Note reading, vocal training and performance skills are emphasized. Debut rehearses weekly, and includes those students who have demonstrated vocal ability and enthusiasm for singing.

Premiere Choir is an auditioned choir for eighth- through twelfth-grade students. Premiere emphasizes excellence of musicianship and performance. Summer touring further broadens these choristers' maturity, both personally and musically. Touring is optional but strongly encouraged.

MEMBERSHIP

YCCO membership requires a significant commitment by singers and their families. Choir is meant to be a positive learning experience for choristers, one they will carry with them for a lifetime. Through YCCO, members learn the meaning of commitment and responsibility. They should feel a sense of pride in being

chosen to participate in these very special choirs and take their membership seriously. Enrollment in the Debut and Premiere choirs is for the season (school year plus summer touring, if applicable). Choir members are expected to remain active and committed to the program for the entire season of his/her enrollment. The Debut and Premiere choir season begins in early September and ends following the spring concert in May. Singers School enrollment consists of two independent terms with performances at the end of each term. Each term is 10 weeks: one term in the fall and one term in the spring.

Membership Requirements

Membership requirements are designed to ensure the continuation of the Choir's high standards. Choristers take pride in maintaining a tradition of musical excellence and commitment to good citizenship. Each individual is an important part of the whole ensemble. Members must fulfill the following requirements:

- Successfully complete a personal audition for participation in the Debut and Premiere choirs. Audition can include singing a solo musically, demonstrating voice range, matching pitches, performing clapping rhythms, etc. Placement in any choir is at the discretion of the choir director. Singers School membership is open to all children in grades first through fifth without audition.
- Attend all rehearsals, retreats and performances.
- Cell phones must be turned off at all times during scheduled rehearsals and breaks. YCCO is a screen free zone. The use of cell phones (or other electronic devices) by choristers and visitors is prohibited at weekly rehearsals and all other YCCO activities and events, unless permission is given by the director. YCCO is committed to a quality social experience and digital break for all students during the rehearsal.
- Choristers and their families are responsible for regularly checking their emails to stay informed about updates of times/locations, performance information, volunteer opportunities and other important YCCO communications.
- Each chorister's family must be involved by showing their support for YCCO, volunteering through the PIP program (see section below) and paying fees on time.
- It is expected that every YCCO singer be an active participant in his or her school choir, band or orchestra. The success of YCCO has depended in large part on the support of music teachers throughout Central Oregon. Rehearsal and concert facilities, instrument and equipment use, and other resources are made available to YCCO because we maintain a positive relationship with our music colleagues. It is our goal to enhance and support school music programs. YCCO choristers are often leaders in their school music programs.

Open auditions for YCCO choirs are held in May and August for those entering grades five through twelve. Auditions may be scheduled by calling the YCCO Office: (541) 385-0470.

SHEET MUSIC & MATERIALS

Each student in Debut/Premiere is assigned a blue YCCO music bag containing a notebook with their music, a pencil and other items specified by the choir director. These items are property of YCCO and together are valued at more than \$100. Parents/Guardians are responsible for reimbursing YCCO for any items lost, damaged or not returned.

UNIFORMS

Just as the ensemble's sound is important, so is its appearance. A well-groomed, neatly uniformed ensemble is essential for a truly professional and artistic experience.

Uniforms emphasize teamwork, help present a polished image at performances and help quickly identify choristers when traveling. Each chorister must purchase the required uniforms and wear the one specified by the director whenever required.

Any chorister failing to dress or groom properly and follow the performance dress code (see below) will not be allowed to participate in the event. Good personal hygiene is a must.

Each Chorister is responsible for proper care of their uniform.

Performance dress code includes the following:

- A properly fitted uniform;
- A clean uniform for every performance;
- Proper black character shoes and tights (black socks for Singers School) that are in good condition;
- Hair groomed away from the face and fastened with natural (matching hair color) hair pins. No bows, ribbons or colored hair pins are permitted.
- No unnatural colored hair is allowed for performances or tour;
- Excessive make-up or cosmetics are not permitted;
- No nail polish;
- Only choir issued jewelry is permitted for Debut and Premiere choristers. Other accessories, such as watches, bracelets, etc. are not permitted.

Choristers with ornate or excessive jewelry, distracting hair color, hair ornaments, visible body piercing or tattoos, or nail polish will not be permitted to perform.

CHOIR OPERATIONAL POLICIES

Attendance

The quality of rehearsals, performances and other YCCO activities depends upon each chorister being present and on time. Our focus is on the safety and well-being of all choristers. Courteous and respectful

behavior toward the director, accompanist, volunteers and fellow Choir members is expected. Irregular attendance and lack of punctuality demonstrate a singer's lack of commitment to the Choir and will result in probation and possible dismissal from the program.

- All rehearsals are important and attendance is mandatory.
- Transportation to and from all choir activities is the responsibility of the parent/guardian.
- Arrive 10 minutes before the scheduled start of any YCCO activity. Check in with the registrar, use the restroom if needed, and then go directly to the rehearsal room and take a seat. Be prepared to begin on time.
- Choristers are expected to be prompt and to stay for the entire rehearsal. Frequent late arrivals and/or early departures are grounds for dismissal.
- Choristers must be picked up promptly after choir activities. Choir personnel will remain on site for a maximum of ten minutes past the scheduled dismissal time.
- Choristers must remain inside the rehearsal room unless instructed to go elsewhere by the adults in charge.
- YCCO is not responsible for chorister injuries or accidents. Chorister's parents/guardians are expected to carry their own insurance.

Absences

YCCO recognizes and respects the busy schedules of singers and their families. YCCO, however, functions as a team. Each member's contribution is needed and expected at every rehearsal and performance. A chorister's absence from rehearsal adversely affects the director's plans and the ensemble's overall progress, in addition to the progress of the absent chorister.

Choristers benefit from attendance at rehearsal even when listening must replace singing. If, for any reason, a chorister cannot actively participate (sing) in a rehearsal, they should observe quietly and attentively.

Choristers in Spark and Glow choirs should send an email to report their absence.

Each Debut/Premiere chorister is allowed 3 excused absences per term (two terms per season) and **no more than 3 unexcused absences per season**. We encourage families to plan ahead. Please notify the choir office as far in advance as possible for a planned absence.

Absences should be reported to the choir office as soon as possible.

Excused Absences: These include absences due to illness, family emergencies, or participation in **required** school programs (excluding athletic or extracurricular events). The Choir Office must be notified via email or phone before 2 pm on the day of the rehearsal or concert. If there is an emergency and calling the office is not possible, please notify the choir office as soon as possible.

Unexcused Absences: These include doctor and dentist appointments, athletic events or practices, extracurricular activities, homework, family vacations, etc. Tardiness of more than 15 minutes after the scheduled start of rehearsal will be counted as a one-half absence. Three unexcused absences followed by an unsatisfactory probationary period are grounds for termination of choir membership. Tuition will not be refunded.

Probation

When a chorister has behavioral issues such as tardiness, missing rehearsal, and/or not following behavioral policies (e.g., cell phone usage), the Artistic Director will discuss the issue(s) with the chorister. If the behavior issue(s) continue, the chorister's parent/guardian will be contacted. If necessary, a probationary period will be established for the chorister. Probation is a period of time during which the chorister has the opportunity to change their behavior and reestablish good standing within the YCCO organization. The Artistic Director will establish expectations and what the consequences will be if the chorister fails to meet the expectations. If choir membership is terminated according to the consequences of probation, tuition will not be refunded.

REHEARSALS

Rehearsal room: Food and any beverages other than water are not permitted in YCCO rehearsal spaces. Choristers may bring a snack for rehearsal break, if desired, to be eaten in a designated location. Choristers are responsible for placing all trash in the wastebaskets and keeping the facility clean.

Materials (Debut and Premiere): The music bag and its contents, including a sharpened pencil, must be brought to every choir activity unless otherwise instructed.

Homework (Debut and Premiere): The choir director will, from time to time, provide homework assignments to help choristers develop their musical skills. Each assignment will be preceded by adequate explanation and practice, and will be followed by appropriate feedback to ensure a worthwhile learning experience.

Parents/Guardians are welcome at rehearsals and invited to observe and enjoy their chorister's music experience, provided there is space in the rehearsal room.

YCCO PERFORMANCES

Performances require the very best conduct, appearance, and musicianship from singers. Information concerning specific concerts will be distributed via email or found on the YCCO web site: www.ycco.org

Performances, music camps, and retreats are important and required activities. Each activity of this kind contributes to the chorister's education and growth, both musically and as a maturing person. The quality of performances is a direct result of the commitment of every member in the ensemble. If a chorister has a non-emergency reason for missing a performance or retreat, the absence must be reported in advance to the Artistic Director and the Choir Office.

Permission to perform is at the discretion of the Artistic Director. Every singer must be adequately prepared to maintain the high-quality standard for which YCCO is known. Choristers missing two rehearsals (including special rehearsals) during the month before a performance or the final rehearsal before a concert are not allowed to perform. Timely arrival (usually two hours before the performance) at performances is crucial to the choir's preparation and the resulting performance quality. Pre-concert preparation allows choristers to relax, focus, and build self-confidence as well as warm-up their voices. Tardiness for a performance call time may exclude the singer from participation at that performance.

Missing the winter or spring concerts due to a non-emergency situation, without previous YCCO authorization, is grounds for membership termination.

Special Rehearsals: In addition to weekly rehearsals, special rehearsals may be scheduled for the Winter and Spring concerts, and other special performances. The Artistic Director may call for a rehearsal on the day of

a concert, requiring members to arrive several hours before a performance is scheduled to begin. You will be notified in advance.

Performance Guidelines

- Singers should always eat a nutritious meal and get plenty of rest before a performance. Be sure the singer has used the restroom before arriving at the performance site.
- Singers should arrive promptly at their scheduled call time (usually at least two hours prior to the concert time) and immediately check in with the choir registrar.
- Tardiness to a performance may exclude a singer from participating in the performance.
- All performers must arrive satisfying the performance dress code according to the requirements listed in this handbook.
- Everyone should conduct themselves in a calm, polite and professional manner. They must give their undivided attention to the YCCO staff and volunteers at all times.
- All singers are responsible for knowing the music. Each musician must have a confident command of the performance repertoire. Failure to demonstrate this at the final rehearsal may result in the chorister's removal from the corresponding performance.
- If a singer feels ill during a performance, they should quietly sit down on the riser and rest for the remainder of the song. Then, if feeling better, the singer may get up and sing again or, if not, quietly leave the stage. Volunteers are always watching and will help if necessary. Once a singer leaves the stage, they may not return.
- No flash photography or video-taping is permitted during performances.

NOTE: Final dress rehearsals and pre-performance rehearsals are closed to the audience, including families. Only designated volunteers are allowed in the rehearsal area before a performance. This allows the singers to concentrate on the music, the director, and any necessary final instructions without distractions. Please acknowledge the time and effort the singers have made to prepare for their performance by respecting this policy.

Tickets are available online at www.ycco.org, during rehearsals and at the door. General admission is \$10. Major concert dates are listed in your calendar. Additional performances and appearances may be added as opportunities arise. Choir families will be notified as early as possible.

RETREATS

Required retreats for Debut and Premiere choirs will be held in the fall. The purpose of each retreat is to:

- Build rapport between the director and the singers.
- Build teamwork and friendships among our choristers.
- Provide intensive rehearsal time.

TRAVEL AND TOURS

Travel is an optional but encouraged part of YCCO activities. When traveling, choristers represent our community and region as well as YCCO. As such, choristers are expected to be courteous and cooperative. Each chorister is assigned to an adult chaperone. Failure to cooperate or discourteous behavior is grounds for sending the chorister home at the parent's/guardian's expense.

Premiere choristers have the opportunity for extended domestic and international tours with YCCO. Tours offer choristers valuable experiences to expand both their personal and musical horizons.

On tour, the choir represents YCCO and builds on its reputation. The YCCO code of conduct applies during

all travel and tours. An additional signed tour behavioral contract will be required from all participating choristers and parents/guardians.

Touring fees are the responsibility of each participant.

VOLUNTEERING- PARENT INVOLVEMENT PROGRAM (PIP)

Parental/Guardian support is essential to YCCO's continued success. Family volunteer hours help YCCO raise funds, support the educational program (rehearsals, concerts, educational tours/trips, etc.), and provide administrative support. These activities help YCCO to operate with a small staff and to keep tuition affordable.

The Parent Involvement Program (PIP) is our framework for volunteering. As part of annual tuition, every Debut and Premiere family is required to perform at least 15 hours of volunteer work or must pay a buy-out fee of \$10 for each hour not fulfilled. The family can choose to buy-out their PIP responsibility for \$150 per family. Please check your email since the choir office will send messages with volunteer opportunities. See the fundraisers section below for additional ways to fulfill your PIP responsibility.

Fulfilling and documenting the PIP hour requirement is each family's responsibility. The PIP hours must be documented on the YCCO PIP form and submitted within the quarter the PIP hours were completed. By documenting all of your PIP hours you are also helping YCCO's potential to receive grant funding. Grant proposal guidelines normally ask for the number of volunteers supporting an organization and the number of hours volunteers have contributed. Requests for volunteers will usually be made via email from the choir office. Again, please be sure to regularly check your email for YCCO communications. Your help is critical to the success of the choir. Thank you in advance for your involvement.

FUNDRAISING

YCCO continues to be grateful for the support we receive from parents/guardians, families, alumni and friends of the choir. Tuition covers approximately 50 percent of the expenses incurred by YCCO. The remaining expenses must be covered through fundraising. Charitable contributions are tax-deductible and are deeply appreciated. YCCO is also forming strong partnerships with corporations and foundations in Central Oregon to enhance the musical experiences for our participants. If you know of a potential funding source, or if you would like to help, please contact the Choir Office.

All families are strongly encouraged to participate in fundraising.

In an effort to simplify fundraising requirements, YCCO has three annual fundraisers.

1. Our main fundraiser is the holiday wreath and poinsettia sale. Families that sell a significant amount of product may earn credit for PIP responsibility. Additionally, Premiere choristers can earn credit towards travel and tour costs.
2. The Gift of Song fundraiser is an annual appeal to friends and family of the choir. Its purpose is to raise money to support the choir's mission.
3. Buying and selling program ads is an additional way to fulfill your PIP responsibility.
